  - Value of Nadcap to Suppliers
2. PRI Perspectives (<http://www.p-r-i.org/about-pri/media-center/pri-perspective/>) are executive briefings on useful topics such as *Nadcap Audit Preparation Timeline*, *Root Cause Corrective Action* and *How to Promote your Nadcap Accreditation*, among others.
3. A number of Key Documents are found online (<http://www.p-r-i.org/about-pri/media-center/key-documents/>), including the useful reference guide called *Nadcap: What You Need To Know* in the Nadcap – General Information area. There is also a section specifically for Supplier Information, which includes:
  - Supplier Tutorial
  - Nadcap Customer Support Initiative
  - Nadcap accreditation press release template
  - Nadcap Merit status press release template
4. There are also some essential frequently asked questions on the PRI website (<http://www.p-r-i.org/about-pri/faqs/>).
5. The contact information for the PRI offices around the world, and individual staff, can be accessed through the Contact Us page (<http://www.p-r-i.org/about-pri/contact-us/>).
6. Nadcap meetings take place three times a year in locations around the world and are open to all Nadcap stakeholders and interested parties. Learn how you can benefit from attendance (<http://www.p-r-i.org/nadcap/nadcap-meetings/>).
