

Supplier Support Committee (SSC) Mentoring Program

Mentor Request Form

Thank you for your request to obtain an SSC Mentor. The SSC Mentor Program is designed to provide assistance to a new and/or existing Supplier by providing contact details for a veteran Nadcap Supplier. A Supplier Mentor's role is to provide basic information on the Nadcap program and reference appropriate contacts within PRI to obtain answers to technical questions or assistance in other areas.

Please complete this form to enable the SSC to assign an appropriate Mentor based on your needs. If you have any questions or do not receive a response from PRI within 5 business days, please contact the SSC by email at NadcapSSC@p-r-i.org. Thank you!
